President's Message

I will have a Thank You card at the meeting for all to sign thanking Tina for the Lining demo last month. I was really impressed by her demonstration!

The May meeting will be at Barb Hahn's shop in Kingsland. The demo will be on bandsaw boxes, by Don and Kathy Penny. Barb has 2 bandsaws to speed up the demo, and a really nice shop!

The demo this month will be on turning small and miniature items. I have volunteered to do some of it, but we need others to show their techniques on small & miniature turning. Please give me a call and come prepared to help!

REMEMBER, the symposium is coming SOON!
