Attention members,, Dues are due at the January meeting..Check or cash \$ 35.00 make out to GIWW. Gerald will be smiling as you hand him money

Respond to [rumtiger@gmail.com](mailto:rumtiger@gmail.com) Easy to remember.. Rum u drink and it turns you into a tiger???

At next meeting David is goin to do a demo on stave construction to make bowls and boxes. We will be looking at an offer from StaBond to our club for quantity pricing.

We only have a party couple times a year and it would help to know at least the name of hosts wife when you arrive. Send me your wife or friend's name and your zip code so I can add it to the membership rooster.

Pictures for newsletter to [rumtiger@gmail.com](mailto:rumtiger@gmail.com) before Jan 1st.

Our Christmas party was a great success of food, drink and of course desserts. Plus a demo by Dave to start the night out. But what ever happened to those days when we stayed out till midnight and beyond.. Going home and back to work the next day.. Now we find ourselves back in an easy chair at 8 pm.. and maybe a nap before bedtime. Times have changed for sure.

Picture from the Christmas party

Dave doin a demo to start off the evening of an ornament at his shop. Soon we all be headed for the feed table

President Dave showing Karen what is best, making sure his favorites are not pointed out.

Gerald, Jim and Barb are already at the table.

Jim, Barb and Ralph loading up. Gerald is looking on. I think they are maybe goin on a trip??

And right beyond them comes Ralph, Paul and Herb. Notice Herb is on a diet.

Tom checking out the cheese with the grass on it while Steve grabs some cream cheese with cranberry jubilee???

Barb leading down the main course table, Gerald, Ralph and Paul close behind,, But notice again Herb has nothing on his plate.. What a man to refrain from all that good food for his diet.

Jim, Norm and Charles trying to decide what to choose.

Charles and Jim in his famous shorts with Barb at the table.

Laken is headed back to table for seconds????  
Is that a beer in her hand????????????

Eddie into the pulled pork while Gerald and Charles watch.

Looks like Eddie and Ralph are either talking wood or the dessert sitting in front of them

Steve and Bryce taking it easy after a big meal but look at Norm below

Norm after a great dinner has decided its time to contemplate. And this easy chair is just for him.

But Norm is not by his self. You can see the that Ralph is on the same page
