

Golden Isles Woodworkers and Woodturners

July 2019

www.GIWW.org

next is Picnic time
July 20th 2019
David Loehes 4 pm
304 Brailsford Place St
Simons

Dave's shop for the JULY 20th meeting. 304 Brailsford Place. St Simons. Its Picnic time.

Discussion at last meeting to pricing of chairs. \$ 75.00 each or special price for all six.

Gerald did a demo for the June 8th meeting of mixing paint thinner and plain old bees wax or candle wax. Showed us a pc of Walnut that was over yr old and no cracks. Looks pretty simple but its a process for sure.

You can look it up on your google site,, **How to make a green wood sealer ehow** Highlight and paste to web site.

Picnic time. Members and spouses. July 20th at Pres. Daves house. We will be looking for a idea of how many are planning to attend. Drinks and meat supplied by club. Members are requested to send back to me rumtiger@gmail.com your special treat you wish to bring. Looking for appetizers, side dishes, fruit or veggies. and last of all desserts.

please respond soonest. NEED A COUNT OF HEADS. LET ME KNOW.

ALSO IF YOU DO NOT OFFER A DISH TO PASS WE WILL ASSIGN ONE

PS I LIKE CHOCOLATE CAKE

Show and tell had some beautiful crafts this time around.. Eddie Wildsmith really hit if with his "board" and Barb with her plaque. Dave had tried sometime different with burnt outside of bowls of pine and oak.. Plus a unique 3d board. Charles Walker had a folding spindle table that he plans to veneer the top when done. Very delicate spindle turning for sure.

Had a excellent turn out for this meeting. Something like 13 members. But I am sorry to miss Tom and Kathryn in the pictures.. Nuts

Steve, Gerald and Mike sorting name tags.. Notice that Steve is standing beside the cookie container.

Ralph, Karen, with Laken. In the back of shop Barb is talking to Pres Dave. I am sure they are cooking up something

From left Herb and Barb in a deep discussion.. Pres Dave talking to Charles W. with Charles table in for ground.

Show an tell pieces had some great pieces this time around

Eddie explains how he made this project Stonecraft poxy pour

Charles Walkers Flip top table. Very well done.

To the right and below. Daves 3d board and burnt bowls

Dave should have the music LIGHT MY FIRE while doin that thar burn
