President  
Brunswick, GA 31523

As you know the meeting for this Saturday has been cancelled. Our next regular would be June 13th. As that date gets closer the President will let us know what is happening and where we are gonna meet. For all you younger folks out there???? stay safe, wash those hands etc. etc.

## Officers April happenings.

1. The officers met via email and approved Herbs addition to the GIWW website. It will allow prospective folks to print it out and send to our Treasure, Gerald along with a check. Dues remain the same at \$ 35.00
2. From Herb OK - the changes have been made and the Membership Application can be downloaded.

The old "Membership" page (password protection removed) now has some info about the club and how to join, as well as a link to download the application. The Membership Roster has been moved to a new password protected page (same password), "Membership Roster", and it's available under the "more" tab.

3. At each meeting bring a piece of wood that you no longer need. The Club will raffle for dollars to support the club. It has been suggested that we do not do tools every month.
4. Member Jerry Gafford won the last raffle with a bowl turned by Ralph. Jerry will bring something for June the next meeting..
