Happy
Easter!

Greetings Woodworkers

Is it Spring, or is it not? The calendar says it is. Hopefully, the last of this long winter has passed.

Two of our new members hosted the March meetings. Barb Hahn hosted the woodturner's meeting in her "to die for" shop while Roy did a demo on turning hollow vessels. And, Mike Hasty did an outstanding presentation on making acoustic guitars. We were all extremely impressed with the intricacies required in this art form. Thanks, Mike!

We have two interesting meetings coming up this month. We hope to see you all there.

Keep in mind, we are always looking for meeting subjects. Please share your thoughts in this area. If you have an interest we haven't covered, most likely someone else does too.

April 26, the Golden Isles Woodworkers will be featured at Glynn Art Assoc., SSI, 11 – 3. Several members will be doing demos. Please come if you can and wear your club shirt.

Woodturner's Meeting

Monthly Meeting – **Saturday, April 12, 2014 – 9 a.m.** - 22 Woodfall Court, Eagle Crest Subdivision, off Harry Driggers Blvd., Brunswick. Our meeting will be a demo be a Question and Answer Session and then a demo by Larry Sullivan on turning s suspended bowl.

President's Message

Fellow Woodworkers and Woodturners,

Thanks to Mike Hasty for inviting us into his guitar studio. It was a most interesting and enlightening evening.

The woodturner's trip to another members shop was very successful, other than my back which did not appreciate the lower than normal lathe bed.

Our show at Glynn Art is approaching and I hope you have been making items for display during our one-day show on April 26.

Roy Yarger, President

Woodworker's Meeting

Monthly Meeting – **Tuesday, April 15, 2014 – 7:00 p.m.** - 184 Hardwood Forest Drive, Hardwood Forest Subdivision off Harry Driggers Blvd., Brunswick. After a short business meeting, Paul Speich will be doing a demo on sliding dovetails.
