Karen's Korner

Greetings Woodworkers

Barb Hahn is back from her Norway Woodturning Cruise and plans to share things she saw and learned with the club at her shop during our September Woodturner's meeting. I saw a picture of some off-center turning that looked very interesting.

And, I am off to John C. Campbell Folk School next week. I am really looking forward to it and the possibility of a little break from the heat and humidity. I will be sharing some of what I learn at our October Woodturner's meeting.

Otherwise, the officers have been busy checking on the availability of local restaurants for our GIW Christmas Party in December. Since we have outgrown anyone's house, we are hoping to find a place conveniently located to host this year's event. We may have some information on that in the next week or so.

Directions to Barb Hahn's Shop:

53 Sheffield Court, Kingsland. Take I-95 south to Exit 7, Turn right onto Harriet's Bluff Road. Turn left onto Hwy 17/GA 25. Approx 1.4 mi, turn right onto Colerain. Cross railroad tracks and turn left just beyond the tracks onto Sheffield Cemetery Road. Approx .3 mi, bear left on Sheffield Court. 53 Sheffield Court will be just ahead on the left. Bring a chair.

Karen Grogan, 912-222-5959

Woodturner's Meeting

Monthly Meeting – Saturday, September 13, 2014 – 9 a.m. - Barb Hahn's shop in Kingsland. See above for directions. Barb will be describing some of the things she learned on her cruise. I understand she may have a slide show presentation.

President's Message

Fellow Woodworkers and Woodturners,

I hope everyone is enjoying the summer in their hot workshops. Hopefully some of you have air as I do. Soon it will cool off and I will be complaining of the cold.

The woodtuners meeting should be informative as Barb will tell us of her woodturning cruise. The woodworkers will have a demo on sharpening and some further discussion on the benches we will be building. Procuring the wood, storage of same and actual construction.

If you have some chisels or hand planes that you just cannot get sharp, be sure and attend this meeting.

Roy Yarger, President

Woodworker's Meeting

Monthly Meeting – Tuesday, September 16, 2014 – 7:00 p.m. - 22 Woodfall Court, Eagle Crest Subdivision off Harry Driggers Blvd. The subject of this meeting will be hand tool sharpening.

MEMBERS' WORK

**Paul Speich's
Finished Wellington Chest**

**Jeff Lackey's
Coffee Table**

The top and legs were made from the 4x6 pine post and pieces that I solicited ideas at the club meeting at my house in May. The wrap around the top and the stretchers are made from poplar stained to look like walnut. Finish is a 50/50 mix of paint thinner and poly, total of 3 coats.

RUGGED and FUNKY

**Karen Grogan's
Laminated Lidded Box, Dyed Red Elm Bud Vase, Crape Myrtle with
Inlaid Stone and Ebony Lidded Box, Red Elm Bud Vase and
Ambrosia Maple Bud Vase**
