On 13 October, GIWW is scheduled to have a woodworking/woodturning demonstration with Glynn Visual Art. This will take place Glynn Visual Arts, 106 Island Drive, Saint Simons Island, GA 31522. This will be between 7:30 and 9:30 PM. We will be displaying our handy work and answering questions about the process. Barbara Hahn has additional information.

The next meeting is scheduled for 14 October at Craig Farnsworth's shop. Would like maximum attendance. We must discuss where the club is with a new meeting place. We have several sites under consideration. We are working to clear up questions about each site.

November's meeting site and program needs to be determined.

The Christmas Party is coming up and we need to make some decisions quickly. It will be held at Doug Ballards home on St Simons

The club is looking for volunteers to replace the current slate officers.
